

Sensit[®] presents

Bottle & Food Combo

- Dairy beverages and cold food means quick one-stop meals for workers and travelers.
- All merchandise is enticingly visible for customer selection.
- Up to six trays: for example, one option would be four food and two dairy (up to 241 units).
- First-in/first-out product rotation and Sensit[®] guaranteed product delivery.
- ½ plus HP refrigeration (3-year warranty) with heated triple-pane glass. Health and safety compliant.
- **Bottle & Food Combo**, like all Sensit[®] merchandisers, is insulated with polyurethane foam.
- State-of-the-art electronics: **MDB** and **DEX** capable.
- Interchangeable parts. Same cabinet as Sensit[®]-I, **VISI-COMBO**, **VISI-DINER**, and **The Milk Machine** (same dimensions, too: 39" wide and 72" tall).

The solution to the problems behind your customers' complaints.
